Mr. Andrei Dzeravenets
PAR Government Systems Corporation
421 Ridge Street
Rome, NY 13440

Dear Mr. Dzeravenets;

This is in response to your U.S. General Service Administration (GSA) Freedom of Information Act (FOIA) request GSA-2016-001069, submitted August 26, 2016 in which you requested the following:

"PAR Government Systems Corporation would like to request the following contract number GS00Q09BGD0004 with the task order number GSQ0316DS0022 awarded 03/17/2016. Documents requested include the contract and all attachments, modifications, extensions, amendments, and Task or Delivery Orders. Award for the contract was made to Abacus Technology Corporation".

Your request for information is being granted in part and denied in part. GSA will release without redactions the following documents: PWS including revisions 1, 2 and 3 Appendices A, B, C, D, E, F and G.

GSA is releasing with redactions the following documents: GSA Form 300 RFP for Order GSQ0316DS0022 issued against GS00Q09BGD0004 and SF 30 Modifications AO001, AA002, and AO003. GSA is redacting Abacus Technology Corporation's EIN number, line item pricing and the funding schedule that refers to line item pricing on the GSA 300 and all modifications. These redactions constitute a partial denial of your request. The denial is pursuant to the fourth statutory exemption under FOIA 5 U.S.C. 552(b)(4) which permits an agency to withhold "commercial or financial information which is privileged or confidential" and its release is likely to cause substantial competitive harm to the Abacus Technology Corporation. The withheld information clearly falls within the scope of this exemption as public disclosure of this information could expose the contractor's technical approach, strategy or pricing/discounting methodology. This exemption protects submitters of commercial and financial information and safeguards them from the competitive disadvantages that can occur if released. It has been determined that if this information is released it is likely to cause substantial competitive harm to Abacus Technology Corporation.

You have the right to appeal the denial of the information withheld under FOIA. To do so, you must write within 90 days of your receipt of this letter to:

U.S. General Services Administration
FOIA Requester Service Center (H1F)
1800 F St. NW, Room 7308
Washington, DC 20405

Your appeal must be submitted in writing and contain a brief statement of the reason(s) why the withheld information should be released. Please enclose a copy of your initial request and a copy of this letter. Both the appeal letter and envelope should be marked prominently "Freedom of Information Act Appeal".

This completes our action on this request. Should you have any questions, please contact Mike Dyszel at 215-446-4567 or by email at michael.dyszel@gsa.gov. You may also contact the GSA FOIA Public Liaison, Audrey Brooks, at (202) 205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.
